

## Hi skiers and parents,

I'm glad to hear you are interested in participating in Thursday Ski Club at Sleepy Hollow Ski Center. This program is for children ages 6-13. The Thursday Ski Club is an informal meeting for parents and kids interested in meeting up to ski with other parents and kids. It does not have an instructor or coach. The group will meet every Thursday at 3:45-5pm beginning on Jan. 5th and going through Feb. 23<sup>rd</sup>. It is a great way to ski with your kids after school for a discounted rate. We will map out and post a route for your age group each week that you can try. If some parents want to get together to play games at the end of the ski that would be great too!

You are expected to ski with your child each week. If a friend/relative wants to ski with your kids that is fine too, as long as they have some parental figure with them.

In need of Equipment?

Sleepy Hollow will be offering a lease program for kids.

The lease program looks like this:

- 1.) If you want to rent equipment just on Thursdays during practice time only, the fee is \$50 per child for ski/boot/pole rental for the season.
- 2.) If you want anytime season rental, i.e. you rent them for the entire season. Please note: We **keep the skis here** and whenever you come to Sleepy Hollow you can use them. The cost is \$75 per child.

Both programs are subject to availability.

Below you will find the information and Payment form. It is \$75 for a parent/child pass. Both parents or a caregiver can use this pass on Thursdays. If you have additional children that sign up it is only \$25 extra per child. Please print the form and return to me.

I look forward to seeing you on the trails at Sleepy Hollow.
